SUMMARY

I'm Kshitij Kashyap, a B.Tech student in Computer Science from Nagpur. Proficient in C, Java, Python, HTML, CSS, JS, React JS, and skilled in UI/UX design with Figma. I delve into data analysis using R, aiming to merge creativity with technology. Actively engaged in ACM RCOEM Nagpur's Technical Club and Rotaract RCOEM, I'm poised for impactful contributions.

SKILLS

- Know C, Java, Python and R programming languages.
- Know HTML, CSS, JavaScript and React JS.
- Created some real projects with JavaScript like a Calculator and AI Land Price Predictor.
- Good at resource management.
- Easily approachable person.
- Readily accept mistakes.
- Always willing to learn more.

Kshitij Kashyap
